### ***Volunteer Opportunity***

#### **MANY VOLUNTEERS NEEDED FOR UPCOMING CSP!**

Our second block of Community Stewardship Projects (CSP) takes place in a month – **March 5, 6, 8, and 12.**

Drivers and/or chaperones are needed for all days. Several groups are at off-site locations and require transportation. All students leave from and return to EAS. Generally morning drivers must be at EAS at approximately 10:15- 10:30 am and afternoon drivers meet at the off-site location at approximately 1-2pm for the return drive. Chaperones stay onsite between dropoff/pickup times. Every effort will be made to match drivers/chaperones with their students, but please note this is not always possible (for example: if you are a volunteer driver and your student is remaining on campus).

Student groups are posted shortly before CSP begins in March; parents, as well, will be notified of assignments and given directions and pertinent information. This is a great way to satisfy volunteer hours and contribute to our learning community! If you can volunteer to drive or chaperone, please click the **link** below and indicate your availability. Any questions? Contact **Laura Bartoletti** at [lbartoletti@lwsd.org](mailto:lbartoletti@lwsd.org).

**Note:** As usual, when you access the online volunteer form below, ignore the “request edit access” symbol in upper right corner.

### **BATTERY RECYCLING**

We are no longer taking batteries for recycling at EAS. Thank you for your past contributions.

### **HEALTH FAIR PHOTOS**

We would like to assemble a collection of photos from our recent Health Fair. If you were onsite and took any photos, we'd greatly appreciate your contribution. Please email them to **Brian Healy** at [bhealy@lwsd.org](mailto:bhealy@lwsd.org).

*Thank you!*

### **HIGH SCHOOL REGISTRATION DETAILS**

Last week all 8<sup>th</sup> graders and their parents were emailed registration details for the four general education high schools in LWSD. All 8<sup>th</sup> graders also received this information in hard copy. The distributed registration information can also be viewed [here](#). Any questions regarding high school registration should be directed to the counseling department of the school your child will attend next year.

### **TIME TO CLEAN YOUR GARAGES AND CLOSETS? – We'd like your donations!**

We are looking for some items for Bowman Bay for a project. We are in need of PVC pipes 2-5 feet long, garden hoses (old, used ones are perfect), and tin cans of all shapes and sizes. Please make sure the tin cans are clean and have no sharp edges. Feel free to collect a bunch and then send them in all at once. Also, we are looking for t-shirts of all sizes, used is preferred. Please make sure they are school appropriate. This is a great way to clean out your students' closets. We will be collecting items up until May. If you have questions please contact **Jamie Claypool** at [djaclaypool@juno.com](mailto:djaclaypool@juno.com).

### **\*\*VERY IMPORTANT\*\***

#### **DRIVER/PARKING INFO FOR WEDNESDAY ELECTIVES & SNOW SPORTS PROGRAM BEGINNING JAN. 3<sup>RD</sup>**

Beginning this week, Wednesday electives drivers should park on the street along 84<sup>th</sup> Ave N.E. when coming to pick up students for offsite electives. The bus chute must remain clear to accommodate the charter bus that will be transporting students enrolled in the EAS snow sports program. This will remain in effect through February 14<sup>th</sup>. Again, no private vehicles should park in the bus chute on Wednesdays until after February 14<sup>th</sup>.

**IMPORTANT!**  
**HIGH SCHOOL REGISTRATION INFORMATION**

Parents and 8<sup>th</sup> Grade Students,

It may seem like a long way off, but it is already time to take action on registration for high school.

Below are the registration specifics for the four primary (i.e., non-choice) high schools in Lake Washington School District. Since each school handles registration differently, please make note of the specific registration details for the high school that serves your attendance area.

**Redmond High School – registrations due January 31<sup>st</sup>**

Unfortunately our students missed notification of the RHS registration event for choice school students that took place on January 17<sup>th</sup>. Since EAS students missed this event, RHS has extended the registration deadline for EAS students to **January 31<sup>st</sup>**. Here is the presentation that was given on January 17<sup>th</sup> that you can view to help you understand how to pick classes:

**RHS Registration Instructions for Students:**

Each student should use 3 things to choose their classes:

1. Course Request Form -

[http://rhs.lwsd.org/uploaded/Redmond\\_High\\_School/Documents/Counseling/Registration\\_2018/2018-19\\_Course\\_Request\\_Worksheet.pdf](http://rhs.lwsd.org/uploaded/Redmond_High_School/Documents/Counseling/Registration_2018/2018-19_Course_Request_Worksheet.pdf)

\*\*Pay close attention to the Alternates section at the bottom of the Course Request Worksheet and pick at least 3 “Alternate” (back-up) electives, just in case something you request won’t fit in to your schedule.

2. Cheat Sheet of every class choice available for 9<sup>th</sup> graders -

3. Course Catalog (with descriptions of all classes students see on their cheat sheet) -
