HELP NEEDED FOR 8TH GRADE GRADUATION

Donations Requested: It is our longstanding tradition that current 6th and 7th grade families help by providing lunch for graduating families and our graduates' guests. We are asking 6th and 7th grade parents for cash donations to purchase food and beverage items for the graduation luncheon. Please leave your donation in the marked envelope in the EAS office.

Volunteers Requested: In addition, the graduation committee will need 2-3 volunteers to help with moving supplies to and from EAS and SJV before and after the event. Volunteers may count this time toward their hours.

Please contact **Brandi Comstock** comstockgirls@yahoo.com if you would like to volunteer or have any questions.

Thank you for carrying on the tradition and creating a great experience for our graduates and their families.

ENTER VOLUNTEER HOURS NOW

As the school year is coming to a close, please take the time to enter all unsubmitted volunteer hours. The link to submit is included below for your convenience. We are in the process of tallying all family contributions.

Please remember that this is the only method we use to track volunteer time throughout the year. **Please note** Accurate volunteer hours reporting is not only important for individual family records, but also helps our school in grant writing for program funding. Even if you have already fulfilled and submitted your 25 hour commitment for the school year, we would greatly appreciate it if you will continue to submit **all** your volunteer time so that we can report the most accurate information to potential grant funding sources. Thank you!
