EAS Shuttle Bus & Ski/Snowboard Gear

Parents and Students – My greatest apology to those students who were unable to bring their ski/snowboard gear on the EAS shuttle bus this past Wednesday. I failed to remind Transportation that we would need a bus with luggage bay each Wednesday from the beginning of January through February 13th. This has now been corrected. For the remainder of the season, Transportation will provide the necessary bus so that students can bring their snow sports gear on the shuttle on Wednesdays. Again, my apologies. -*Colleen McLaughlin*

Volunteer Opportunity

Scrip Program Coordinator & Scrip Distribution Coordinator

Beginning fall 2019, we need a 6th grade parent to take over as **Program Coordinator** for the Scrip program. This is a two-year commitment.

This is a great volunteer position for someone who:

- has trouble volunteering during the day during school hours - Hours are Flexible!
- likes spreadsheets
- is organized with attention to detail
- enjoys banking

The time commitment is about 2-4 hours a month. The busiest months are September (setting up new families, new tracking spreadsheets, exiting graduated families) and June. Over the summer there are a couple of hours of work as well.

Additionally, there is a need for the ***Scrip Distribution Coordinator***. This person collects the physical cards from the office upon delivery, sorts them by family and communicates to the families about pick up. They hand them out at school on Fridays as well.

Contact **Janet** at easscrip@yahoo.com with your interest. Thank you for considering!

"The Magnificent Teen Brain" - Thursday, Jan. 17th at 7pm**

Presented by Sheri Gazitt, Teenwise

There's a big remodel going on inside your child's head starting around 6th grade. Their logical brain goes offline about 70% of the time. They are becoming intensely aware of how they fit into the world around them. This brain remodel can cause a lot of turmoil in the parent/child relationship. Join us for a workshop led by Coach Sheri, Founder of Teen Wise and mom to three daughters. She will explain what is going on in your kid's noggin and how to adjust your parenting accordingly.
