BLACKSMITHING AT PRATT FINE ARTS CENTER – FEE \$190

This new elective is a great opportunity to learn blacksmithing. Blacksmithing, or forging, is about transforming and shaping cold hard steel through the use of heat. Using basic techniques such as hammering, twisting, tapers, bends, and splits, students will have the opportunity to create sculptural and functional objects. Class takes place at Pratt Fine Arts Center in Seattle. All materials are included. ** NOTE: STUDENTS MUST BE 12 OR 13 YEARS OF AGE TO PARTICIPATE IN THIS ELECTIVE. PARENTS ARE REQUIRED TO DRIVE AT LEAST ONCE AND MUST INDICATE AVAILABILITY WHEN REGISTERING.

THE ART OF BRUSH PEN CALLIGRAPHY - FEE \$10

Come join Nooria (8th grade student) for a modern Calligraphy/Handlettering for beginners class. In this exciting elective, students will learn the beautiful art of calligraphy and fundamentals of brushlettering while we incorporate fun colorful designs. No previous art experience needed, just bring your creativity. Students will receive their own watercolor brush pens for them to keep. This will be a life long skill for everyone to master. CLASS CHAPERONE NEEDED

SPORTS SAMPLER - FEE \$54

Join the enthusiastic coaches at Arena Sports in Redmond for a great time sampling different sports. Students will get to play a new sport every week, including field hockey, capture the flag, and kickball. Two weeks will be spent on each sport teaching the basic game rules and strategy. Each sport is meant to be fun and encourage team work. No experience is necessary but good sportsmanship is required. These will be no contact sports and overly aggressive play by students will not allowed. Class runs from 11-12:15. CARPOOL DRIVERS and CLASS CHAPERONE NEEDED

GAME DEVELOPMENT WITH UNITY - FEE \$80

This course is for the people who have no experience in programming and want to understand how to create games from scratch using a professional game development tool (Unity) with C#. You will learn how to think and create a fun game together. We will be using bare bone Unity and avoid using complex models to have a solid understanding of game design with Unity before making it look nice and realistic. Don't worry if you are an absolute beginner to programming! We will start with the very basics and work our way up. Class taught by Kunitake Aoki, from

STEAMforTeens and an industry veteran who has worked on various titles such as the Sonic series and the Mario vs. Donkey Kong series at Sega and Nintendo for over 28 years. Class taught on site. NO CARPOOLS REQUIRED.

CHOCOLATE CANDY MAKING - FEE \$110

Learn to make chocolates at Dawn's Candy & Cake in Lynwood. You will create your own chocolate treasures that are as beautiful to look at as they are to eat! Make something different each week. The cost of ingredients and materials are included in the class fee. CARPOOLS REQUIRED. ** NOTE: PARENTS ARE REQUIRED TO DRIVE AT LEAST ONCE AND MUST INDICATE AVAILABILITY WHEN REGISTERING.

INTRODUCTION TO DIGITAL PHOTOGRAPHY - FEE \$20

Bring your own digital camera or borrow a school camera to explore the basics of photography including camera settings, how to capture a great photo, lighting, photo editing with school software and much more. Students will take photographs of various subjects and in various conditions including other EAS Wednesday elective students in action. Many of the photos taken will be used for the EAS yearbook. Class taught by Mr. Kurt who has extensive photography and video knowledge. This class is a must for anyone interested in photography! Class taught at EAS although some carpool drivers will be requested for 1-2 offsite photography dates.

PARKOUR - FEE \$108

Join instructors at MoveFree Academy in Redmond for this fun and active Parkour class. Parkour is the functional art of movement, characterized by efficient use of power, speed, agility, spatial awareness, balance, reflexes, and thinking in the moment in order to overcome obstacles within one's environment. Parkour incorporates running, climbing, jumping and swinging. The instructors work with students at their level and comfort and assist them in developing appropriate, achievable goals. Foremost at MoveFree is the emphasis on safety while still having fun. More information about MoveFree Academy and Parkour can be found at www.movefreeacademy.com. CARPOOL DRIVERS and CLASS CHAPERONES NEEDED.

MAGIC THE GATHERING - FEE \$36

Come join the Magic card game craze led by the ever popular instructor, Eric, from Seattle's Math N Stuff to learn the game and strategies of Magic the Gathering. Magic the Gathering is a card game where you build your collection of cards by trading with your friends, assembling decks of cards, and battling against an opponent and their deck. Students will learn and play against others. This class is suited for those who have never played but want to learn as well as the more advanced player. Cards will be available to those who do not have their own, and extra cards will be available to those who need to add to their decks. Eric also brings a variety of new and fun board games for students who want to play other games as well. NO CARPOOLS REQUIRED

DIY CRAFTING - FEE \$90 (1 hour - 1 project each week) or \$180 (2 hours - 2 projects each week)

Are you a DIY crafter, enjoy crafting or want to start? Join Trendy Crafts each week and create a unique craft to decorate your space. Customize your project to fit your taste and personality with all of the latest supplies and techniques. Think mod podge, washi tape, watercolors, and bling gemstones! Craft projects this Fall include Dot Art Desk Accessories, Mixed Media Canvases, Starry Night Lanterns and so much more! We can't wait to craft with you! NOTE: For this class you have the option of registering for a 1 hour crafting class where you will create 1 complete project each week, followed by 1 hour of quiet study OR a 2 hour crafting class where you will complete 2 full projects each week. Class taught by instructors from Trendy Crafts. NO CARPOOLS REQUIRED
